

With the proceeds from the annual Art Show, the Birregurra Art Show committee awards multiple sponsorship grants every year.

Successful applications meet at least 2 of the below criteria:

1. Support the local\* community (local is Birregurra and surrounds)
2. Support creative projects and events
3. Support projects which create opportunities for creativity and inclusion across a range of demographic groupings

Please use our [form](#) to answer a few simple questions that will help us decide whether the Birregurra Art Show is able to help you fund your project.

#### Your values and goals

Tell us about your vision as it will help us to assess how aligned our goals are with yours.

#### Your project / event / activity

What is it you are seeking funding for? Are you approaching other potential sponsors?

How will your event/project benefit the community?

How do you plan to promote the event/project, and what marketing opportunities do you envisage for the Birregurra Art Show if we were to provide funds?
